

QiR The 18th International Conference on Quality in Research

Dear Colleagues,

Call for Papers - the 18th International Conference on Quality in Research (QiR) 2023 at Hilton Bali Resort on 23-25 October 2023.

We are happy to inform you that the Faculty of Engineering, Universitas Indonesia will hold the 18th International Conference on Quality in Research (QiR) 2023 at Hilton Bali Resort on 23-25 October 2023. The QiR 2023 will provide an excellent international forum for sharing the innovative contributions in science, engineering and design as well as market perspectives to the existing and future enhancement of human life and environment quality. Attached to this letter is the conference brochure and poster. We would like to invite you to submit papers and to attend the conference.

QiR 2023 will bring together national and international frontline thinkers, academics, executives, government and business officials, practitioners and leaders to present and discuss a wide range of engineering and architectural issues in the achievement of excellence products/projects/services. It is our aim and hope that this conference would be able to provide an international forum for exchange of the knowledge, experience and research as well as the review of progress and discussion on the state of the art and future trend in the broad field of engineering and architecture.

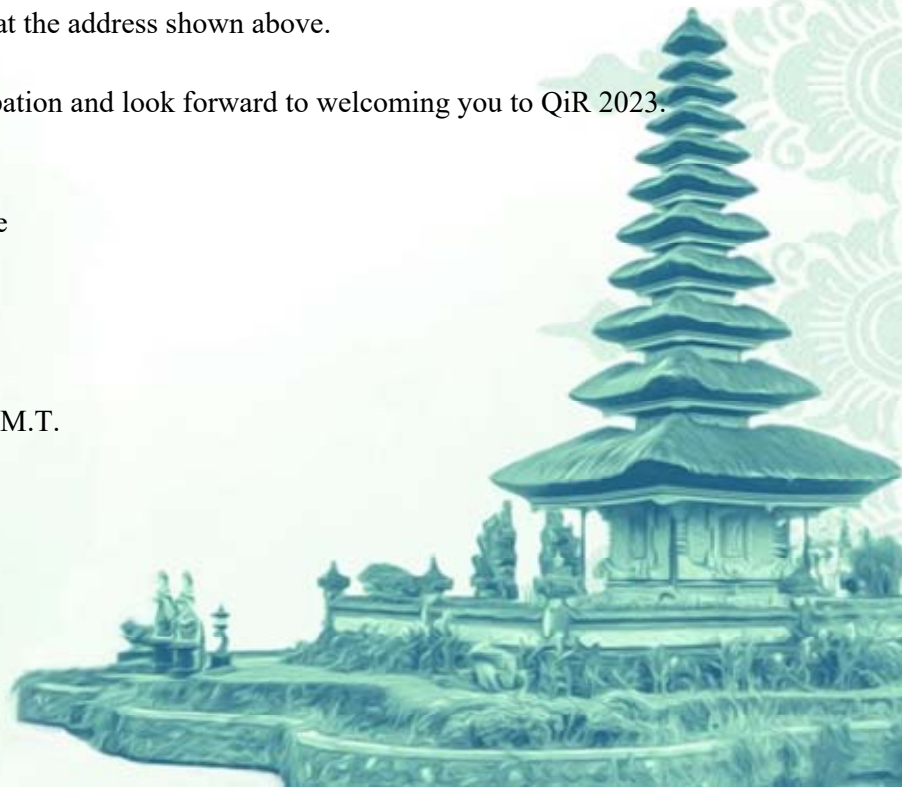

We would like to ask you to distribute this info on QiR 2023 to the departments in your institute and your colleagues. We sincerely hope that you, your staff and colleagues in your institution will join us in making QiR 2023 a success. Should you need further information, please kindly contact the conference secretariat at the address shown above.

We would appreciate your participation and look forward to welcoming you to QiR 2023.
